

Consider a Gift Annuity

A high fixed return and tax savings for you - and a gift to your favorite LCMS Ministries!

A Gift Annuity is an irrevocable gift agreement offered through the Lutheran Church – Missouri Synod Foundation. Funded with cash or securities, a Gift Annuity provides you with a fixed rate of return for your life, part of which is tax-free. You may also name a second person to receive the payments after you have joined our Father in Heaven. A Gift Annuity also provides an income tax deduction and capital gains benefits... and a gift of the annuity remainder to your favorite LCMS ministries.
